

MEGAN ANN MAHON MEMORIAL

Helping children achieve their full potential.

Dear Friend,

We, at the Megan Ann Mahon Memorial, are happy to include you among our friends and supporters. This memorial charity was established in 2003 in memory of an amazing young woman who was taken from us too soon.

Megan always had open arms, an open heart and – with the help of her parents – an open home to others in need. She knew the importance of giving children opportunities to participate in activities that build self-confidence, teamwork, and improve chances for them to achieve their full potential. Especially close to her heart were acrobatic gymnastics, dance, and other team sports.

Megan never had the opportunity to help all the people she would have liked. Since her untimely death, her family and this memorial have provided numerous scholarships and grants, aided at-risk children locally, funded a Missouri Special Olympics team, and collaborated with other local agencies that benefit children. Donations and fundraisers, like our annual trivia night, allow us to sponsor all these activities and more.

We are seeking support for our annual Trivia Night. Entry fees are \$200 for a table of 8 (\$25/person), or non-competitive tables of 9 or more are allowed. But we are particularly interested in **donated items for the raffle and door prizes**, as well as sponsorships to help offset production costs for the event. We have an all-volunteer Board and minimal operating costs. See the accompanying flyer for more information about sponsorship levels. If needed, our volunteers are happy to pick up any donations. You can contact me at 314-960-6075.

We hope to see you at the Trivia Night and thank you for your time and support.

All the best,

Janelle Mahon, Director
314-960-6075
